

Reality Adventure Works in Scotland Ltd.

ASSESSMENT AND CARE PLANNING POLICY

1. Policy

- 1.1 Reality Adventure Works in Scotland Ltd. (Reality) recognising the prime responsibility for the assessment and care planning of a child or young person is inherent in the referring agency's application to Reality, will endeavour to satisfy any desired, communicated and agreed objectives* of such application, in accordance with its own Aims and Values Statement and Quality Assurance Policy and as set out in the 6 Principles of the National Care Standards (Sept 2002).

2. Procedures

- 2.2 Any subsequent actions and procedures taken by Reality will be subject to the principles and procedures laid out in the following Reality documents:
- 2.2.1 Health and Safety Policy,
 - 2.2.2 Protecting Children, Young People and Volunteers (Activity Breaks) dated Aug 2008
 - 2.2.3 "The Beginner's Guide to Reality"
 - 2.2.4 Team Leader's Guidelines on Care and Control Policy on Reality Activity Events
 - 2.2.5 and any other appropriate Guidelines and Policies being developed.
- 2.3 *If requested, Reality will produce to the referring agency any required evaluation of the achievements and progress towards these objectives by the referred young person after attending a Reality event.
